To Whom It May Concern:

The City of Fairfield ("City") received your Public Records Act requests on July 29, 2019. Your request, comprised of four (4) unique requests, seeks a variety of statistics related to use of force incidents. In accordance with California Government Code section 6253, this letter serves as the City's written response to your requests.

Request:

1. The total number of police uses of force in 2018, broken down by type of force used (i.e. number of uses of tasers, number of uses of baton, etc.)
2. The total number of use of force complaints reported by civilians in 2018
3. The total number of use of force complaints reported by civilians that were sustained in 2018
4. All arrests data reported to the California Department of Justice via the Monthly Arrests and Citation Register program covering arrests made in 2017 and 2018, including (but not limited to) the age, race/ethnicity, gender, offense category (felony, misdemeanor, status offense), charge and disposition of arrestees.

City Response:

The City has located and identified 2 records that provide the information sought by your requests. Enclosed you will find a memo, drafted July 31, 2019, detailing the numbers you requested and which shows a breakdown of use of force incidents by category. In addition, you will find enclosed an Excel spreadsheet with data responsive to your fourth request, above.
